

FSU CENTER FOR THE ADVANCEMENT OF HUMAN RIGHTS PRESENTS:

40 YEARS SEARCHING FOR TRUTH

"40 Years Searching for Truth" is a documentary about Joyce Horman – a humanitarian whose husband Charles Horman was killed in 1973 in Chile approved by the Pinochet Government. Joyce has been working hard for the past forty years to find out the truth about her husband's death and devoted herself to human rights movements as well as universal jurisdiction.
